

EDDIE'S EDITORIAL

Thanksgiving has rolled around again and we have much to be thankful for. For many 2020 has been a difficult year with the virus taking center stage. But even though the virus has done much to change the life of many we still have much to be thankful for. All we need to do is look around and count our many blessings as the song says. If we will try to name them one by one we will soon realize just how much God has done.

Many times in the scriptures we find verse speaking of the many blessings God has given to us and how we are to be thankful for each one. May we never take the blessings of God for granted and forget who made them possible.

Looking forward to seeing you Sunday.
Eddie
