

EDDIE'S EDITORIAL

We have heard the term, "If the shoe fits, wear it." Which one of the following shoes best fits you?

Loafers: The indifferent, lazy Christian.

Overshoes: His religion is only superficial and outward.

House shoes: This Christian wants things easy, comfortable and convenient.

Sandals: This Christian is just a skeleton of a Christian. No growth since becoming a Christian.

Sunday shoes: Once a week Christian.

Work shoes: The active Christian who is always on the job for the Lord.

So, knowing this, which shoe best fits you? Looking forward to seeing you Sunday. Eddie

Landon's Letters

I hope everyone has a happy Thanksgiving this year and you get to spend it with all your family! While you are all gathered around the table and feasting on the wonderful food that you will all have I want to encourage you to take it all in and thank God for all that you have been blessed with! There are some people who are going to be sad this holiday season because there may not be people here with them anymore so I want to encourage you to pray for them as they are dealing with this time. Reach out to your families and friends and tell them that you love them and are thankful for them because you never know when you may not get the chance again!

I am looking forward to being with you all this Sunday!
