

EDDIE’S EDITORIAL

We had a great week for our Vacation Bible School. As always, it takes a lot of people to make it work and everything worked well this year. If you have any suggestions for making it better for next year let Landon or myself know. It would be impossible to name each individual who made it a great VBS without leaving out some names, but thanks to everyone who worked together flawlessly to make it happen.

Before we know it summer will be over and school will be back in session. Time goes by in a hurry but that is just the way life is. May each of us make the most of our time in serving God and being the example we should be.

Continue to give our visitors a warm welcome. Show them that you care having them visit with us. Keep up the good work. Looking forward to seeing you Sunday. Eddie
