

EDDIE’S EDITORIAL

Most every establishment has a lost and found department. People often accidentally lose things to only realize it later and the search is on. But many of the things located in the lost and found remain there because no one claims them. Some places even have a lost and found department for children who have become separated from their children. However, I don’t know of any children who still remain at the lost and found.

Did you know God has a lost and found department? In Luke 15:8-10 we find a woman who lost a valuable coin. She searched everywhere until she found it and rejoiced at the coin’s discovery. Even though the coin was lost, it had not lost its value. Most likely the coin was stamped with the emperor’s image which gave it value.

There are many who are lost. Just being lost doesn’t lessen their value. They are stamped with in the image of the Creator and that alone makes them priceless. We all know someone in the lost condition. Recognize their value and do the search. See you Sunday. Eddie
