

## EDDIE’S EDITORIAL

We had a good week last week as we rejoice as Phillip, Jennifer and Ryleigh Bennett as for the prayers of the church and to be right with God. Give them a warm welcome as they walk daily with God.

Antiques Roadshow is all about people trying to find the value of a certain item they have in their possession. It may be a family heirloom or something they picked up at a yard sale for a few dollars. In many cases the owners of these items are surprised and excited over what the worth of their particular item. Especially those who only paid a few dollars for it at a yard sale.

In Matthew 13:44 we find a man who came upon some great treasure in a field and sold all he had in order to purchase that field. He knew the value of what was in the field as soon as he saw it.

There are many things of great value when it comes to being a Christian and one of those things is the truth. Proverbs 23:23 says, “Buy the truth and sell it not.” Solomon is telling us to value truth and never compromise it away for anything. To discover truth, to follow truth and to keep truth are top priorities for the Christian.

Will I see you Sunday? Eddie

## Landon's Letters

Are you a wheat or are you a weed? We looked at this parable Sunday night and I challenged you to think about this question. Hopefully everybody's answer is that they are a wheat, but some may fall in line with the weed being planted by the evil one! If this is where you feel you are at this point I encourage you to make the necessary changes that you need to make in order to be one of the wheat who is going to be gathered and put into the barn instead of the fiery furnace when that day of judgement comes! We will not be able to escape that day so we need to be preparing for it now!
