

EDDIE’S EDITORIAL

We had another great week at Vernon. Last Friday (20th) Kinslee Brown was baptized into Christ. Then on Sunday Pat Stephens ask for the prayers and encouragement of the church. May each of us remember these two in your prayers for strength and encouragement as they strive daily to serve the Lord.

It seems that every time you turn around someone is having a gender reveal party. Family and friends gather together with the couple to see what gender the newborn will be. They have come up with many innovated ways to announce the surprise to the couple and family. Some are really funny, especially when things go awry.

This really is nothing new for in the Bible we find angels making the announcements of a child’s gender way before the birth. The angel Gabriel appeared before Zacharias to tell him he and Elizabeth were having a son and what to name him. Then Gabriel appears to Mary to tell her she would be having a son and His name would be Jesus. Joseph also gets a visit from an angel giving him information concerning the child’s birth. So, gender reveals are nothing new, except the way they come about. And to have an angel reveal such information is the greatest by far.

Looking forward to seeing you Sunday. Eddie

Landon's Letters

We have had a great summer up to this point at the Vernon Church of Christ. We have had four people choose to put Christ on in baptism for the remission of their sins and start their walk with the Lord. Be praying for them that they will grow closer to God each day and that we all will do so.

We only have a few weeks until our Vacation Bible School is here. We will need help in several different ways with this coming up. We first and foremost will need you to be praying for this event that it will do great things for the Lords Church! Second we will need help with setting up and taking down all of the decorations that will be put up that week. If you can help with that please see me or reach out to me and we can arrange that. We will also be going door knocking the Saturday before it starts to invite people to come! Be inviting everybody that you can to come because we have classes for all ages!
