

EDDIE’S EDITORIAL

Our Vacation Bible School is in the past. We had a great VBS this year and that didn’t happen by accident. A lot of work went into it this year and it was evident if you just looked around. Thanks to everyone who help in each classroom, served refreshments, brought food items, invited others to be with us and helped with the cleanup.

So, what about next year? The date has already been set for June 21<sup>st</sup> – 24<sup>th</sup> 2026. Go ahead and make your plans to be here.

We continue to have visitors with us each Sunday and make sure you give each of them a warm welcome. It makes a difference. It could even make an eternal difference.

## Landon's Letters

We had a wonderful week during our Vacation Bible School! We had a lot of visitors from the community and that was because of the invitations that you all extended to people! I want to encourage you to continue inviting them to come back to services even though it is not going to be VBS we still have classes for all ages that we would love to see just as full as they were during this week. You never know somebody might choose to become a Christian because of the effort you put forth by inviting them to come!

We have a group going to Montgomery this weekend for Legacy at Faulkner University. Be praying for safe travels to and from and that we will grow closer to God through this weekend!
