

EDDIE’S EDITORIAL

Our Vacation Bible School is only a few days away. I hope each member is going to do their best to be present each night. I hope that each member will be inviting those we see each day to be with us. I hope each member is praying for the success of our VBS. Much good can come from VBS in many different ways.

Teaching lessons from the Bible is always a good thing. The fellowship among members and visitors is a good way to get to know one another. And don’t forget about how VBS can be an evangelistic tool as well. A lot of good can come from the great effort.

And don’t forget about the door knocking that will take place July 12<sup>th</sup>. This is for adults and youth as we make our way too many doors leaving an invitation for our VBS.

VBS teachers can pick up their material on the front pew in the auditorium. Looking forward to having busy and good week July 13-16. See you Sunday.

## Landon's Letters

We only have a couple weeks until our Vacation Bible School is here. We will need help in several different ways with this coming up. We first and foremost will need you to be praying for this event that it will do great things for the Lords Church! Second we will need help with setting up and taking down all of the decorations that will be put up that week. If you can help with that please see me or reach out to me and we can arrange that. We will also be going door knocking the Saturday before it starts to invite people to come! Be inviting everybody that you can to come because we have classes for all ages! We have flyers if you would like to hand some out just ask myself or Eddie and we will get you some!
