

EDDIE’S EDITORIAL

Just a reminder about the August 6, Wednesday class that will meet in the fellowship room. Be sure to bring your Bible and a pen. It’s a little different format we will be trying just for the month of August. Classes 6th grade and under will meet in the auditorium with Landon. The cradle roll class will still meet in their regular class. We will be studying four miracles found in the gospels and hopefully get a better insight in what took place during the healing of these individuals. The first class will focus around the paralyzed man in Luke 5:18-26, Matthew 9:1-8 and Mark 2:12. Go ahead and be reading about this miracle as we prepare for the study August 6.

For those who watch via the internet this class will not be available. We will record a short devotion each Wednesday in August along with the announcements for those watching via the internet.

School is soon to begin next week and hopefully everyone had a good summer. Time is going by quick. Looking forward to seeing you Sunday. Eddie

A marriage may be made in heaven, but the maintenance must be done on earth.

The grass may look greener on the other side, but it still has to be mowed.

Remember the banana. When it left the bunch, it got peeled.

Landon's Letters

The school year is already here for some and about to start for others. It seems like the summer just flew by with all of the fun we were having. We had a great few months here with camps, VBS, and other trips and events together. I hope you all enjoyed it and grew closer to God because of it! I want to encourage everybody to be praying for all of our teachers and students going back this week and getting back into a routine. Pray for the school year that they will have a safe and good year and learn as much as possible! Also pray that they will be able to share Jesus with people this school year through the way that they act and conduct themselves in a Godly manner!
